

3D RUBBER LETTERS & LOGOS

About our **3D** Rubber Letter and Logo Kits

These kits are DIY and really simple to apply, come with a great warranty: Guaranteed for the Life of Your Tires.

What's the most fun way for your customers to break their vehicles out of the crowd? Customized tire lettering!

We offer a large selection of the most popular tire brands + our kits contain the best quality 3D Rubber Letters & Logos on the market. And they're very DIY-friendly.

PLUS the kit also includes our exclusive 3M™ *ProFormula Perma-Bond Rubber Glue* with advanced adhesive properties that will permanently bond the letters and logos to your the tires. That's why our kits are ***"Guaranteed for the Life of Your Tires."***

If your customer damages their tire(s) and need fresh lettering, no problem – we've got your back! We'll send them FREE replacements and they will pay shipping only.
